## List of Reference Signs

	1	semiconductor device system
	2a	semiconductor device
5	2b	semiconductor device
	3a	voltage supply means
	3b	voltage supply means
	4	semiconductor device housing
	5a	semiconductor device pad
10	5b	semiconductor device pad
	5c	semiconductor device pad
	5d	semiconductor device pad
	6	bonding wire
	6a	bonding wire
15	6b	bonding wire
	7a	line
	7b	line
	7c	line
	7d	line
20	8	activating/deactivating control means
	9	interposer
	10	connection
